

STOP

If you are visiting the person(s) living here you must perform a Covid-19 self-screen assessment before entering the premises.

Have you travelled outside of Canada, or to areas of Canada with confirmed cases of COVID-19, in the last 14 days?

Are you experiencing fever, new cough, or difficulty breathing?

Have you been in close contact with a person who has travelled internationally AND is sick with respiratory symptoms (i.e. fever, cough, shortness of breath, or difficulty breathing)?

Have you had close contact with a confirmed case of COVID-19 (i.e. someone in your household or workplace)?

If you answer “YES” to any of these questions

DO NOT visit at this time.

If you are experiencing any of the above symptoms, please return home, self-isolate and contact public health at (866)797-0000.

Please consider another method of visiting i.e. phone call.
