

# COVID-19

## Novel Coronavirus

# Riverside Assessment Centres

Assessment centres are **by appointment only**.

For safety reasons, **“walk in” appointments are strictly prohibited**.

### What are symptoms of COVID-19:

- fever greater than or equal to 38 degrees.
- new or worsening cough, sore throat, headache, muscle/joint aches and fatigue.
- shortness of breath.

### How to access the centre:

1. It is recommended you complete the ministry online assessment tool at Ontario.ca.
2. Call Telehealth Ontario at 1-866-797-0000 or the Northwestern Health Unit at 1-807-468-7109 , they will determine if you require an appointment at an assessment centre.
3. If you require an appointment, Telehealth Ontario or the Northwestern Health Unit will contact the COVID-19 Assessment Center to identify your need for an appointment.
4. Our assessment centres will then contact you to schedule the appointment. Once you arrive, please read the instructions posted, and ensure you follow them.
